JATAKA DOSHA NIVARANA RASI MANDALA PUJA

According to the sages of our great Sanatana Dharma, your life is influenced every moment of every day by various celestial forces, such as the **navagrahas**, or nine celestial bodies, the twelve **rasis**, or zodiac signs, and the twenty-seven **nakshatras**, or star constellations.

The positions of these celestial bodies at the time of your birth reflect your karma and have a profound influence on both your actions and your reactions to life's circumstances. Some of these influences can take a negative or difficult form (Jataka Doshas).

Not only that, every human being will go through certain astrological periods that can cause serious difficulties that last for months or years at a time.

If you were born under **Visakha** (4th pada), **Anuradha**, **Jyeshtha**, **Mula**, **Purvashada**, **Uttarashada**, **Sravana** or **Dhanishta** (1st - 2nd padas), you are currently in the **"Seven and a Half Years,"** or **Sade Shati period**.

If you were born under **Kruttika** (2nd - 4th padas), **Rohini** or **Mrugashira** (1st - 2nd padas), you are currently in the **Ashtama Sthana Sani period**.

If you were born under **Dhanishta** (3rd - 4th padas), **Satabhisha** or **Purvabhadra** (1st - 3rd padas), you are currently experiencing **Saturn's third aspect**.

If you were born under **Uttaraphalguni** (2nd - 4th padas), **Hasta** or **Chitra** (1st - 2nd padas), you are currently experiencing **Saturn's 10th aspect**.

If you were born under **Mrugashira** (3rd - 4th padas), **Ardra** or **Punarvasu** (1st - 3rd padas), you are currently experiencing **Saturn's seventh aspect**.

All of these astrological transits can cause significant problems for your career, financial wealth, personal and family health, and marriage life. However, there is no reason to fear these times, because God has blessed us with many tools to become successful.

WHAT CAN YOU DO ABOUT THESE INFLUENCES?

You can definitely overcome these negative influences, by connecting with a much higher power that has created all the nakshatras and navagrahas—the Divine Mother of the Three Worlds, **Sri Lalita Maha Tripurasundari**.

*Ganesha Graha Nakshatra Yoginim Rasi Rupinim |
Devim Mantramayim Naumim Matruka Pitha Rupinim ||*

This sacred sloka tells us that by appealing to the Divine Mother, who rules over the navagrahas, rasis and nakshatras, we can overcome **any** jataka dosha or planetary transit, even the dreaded Sade Shati, or "Seven-and-a-Half-Years."

To seek Sri Devi's blessings and help all those who are suffering from jataka doshas or Saturn's transits, we are undertaking an elaborate puja that is only rarely performed, the **Jataka Dosha Nivarana Rasi Mandala Puja**. This puja will be conducted by senior Sri Vidya upasakas from the Sri Vidya Temple.

This puja will invoke the divine blessings and protection of Lord Siva and Sri Devi, providing immense benefit for anyone who sponsors or witnesses the puja.

At the conclusion of the puja, those who sponsor the puja will receive blessed and energized prasadam, so that the holy puja vibrations will continue to shield you from any negative planetary influences.

Nakshatra kalasa sponsorships are limited; please reserve your spot soon to avoid disappointment. Please see the other side of this flyer for more details.
